X. Price and Value Added Tax

Client shall pay **27,184.00 EUR** (price excluded VAT) for the provision of the Training Services. The Price includes tuition fee, provision of Training Course Materials and JAA TO / ECAC Certificate of Attendance, examination and JAA TO / ECAC Certificate of Accomplishment (provided that participants pass the examination). VAT may be taxed, according to the following.

EU countries VAT laws are based on the 2006/112 EU VAT Directive, that prescribes that certain services may be taxed in the country where the Client's entity has established its business. Also, the directive prescribes that certain services of a scientific and educational nature may be taxed where the actual supply takes place. Value Added Tax (VAT) should be in line with the country specific requirements, therefore, it depends if and where VAT is taxed by JAA TO.

JAA TO is exempt from VAT in the Netherlands under Article 11, paragraph 1, section O of the (Dutch) Value Added Tax Act 1968. There is also an exemption in the VAT Directive in respect of vocational / educational training. Where an exemption is available there should be no need for JAA TO to register for VAT and to account VAT on the provided services.

Accordingly, for EU Countries, JAA TO may have to register and charge local VAT. Local legislation may also prescribe the reverse charge mechanism. This mechanism moves the responsibility for the reporting of a VAT transaction from JAA TO to the buyer of the training. When this mechanism is applicable, JAA TO will not charge local VAT and mention "Reverse charge" on the invoice.

For Non-EU Countries, charging of local Indirect tax should also be in line with the country specific tax requirements. Accordingly, JAA TO may have to register and charge local VAT. If applicable under local indirect tax legislation, VAT is calculated and paid to the related tax office in

the Client's country of residence, or where the training is given by JAA TO, on behalf of the non-resident company (i.e. JAA TO).

XI. Payment of Expenses and Price

1. All expenses shall be paid according to the specifications of the invoice issued by JAA TO.
2. The Price shall be paid in full prior to the commencement of training activities.
3. Payment shall be made by money transfer to the bank account of JAA TO in the Netherlands:

ABN AMRO Bank No. 43.88.96.815

Gustav Mahlerlaan 10

1082 PP Amsterdam, The Netherlands

SWIFT: ABNANL2A

IBAN: NL18ABNA0438896815
4. All payments, including reimbursement of Expenses, shall be made in Euro and without set-off or counterclaim, and free and clear of and without deduction for or on account of any present or future taxes, including but not limited to withholding taxes, levies, imposts, duties, deductions, withholdings. If Client is compelled by law to deduct any such taxes, he shall pay such additional amounts as required so as to ensure that the net amount remaining after the deduction of such taxes is equal to the amount due to JAA TO under this Agreement.
5. Where applicable, value added tax shall be paid by the Client.
6. Payments shall be considered made when the amount due is credited on the bank account of JAA TO.

XII. Late Payment

1. In the event of late payment of any Expenses, the Client shall pay 5% default interest per month. Each calendar month to which the delay extends shall be considered a full month in respect of the payment of default interest, irrespective of the number of days elapsed until payment.
2. In the event Client has failed to settle the payment of the full course fee or any of the Expenses until 24 hours before the scheduled start time of the course, JAA TO shall have the right to cancel the Training Course.

XIII. Use of trademarks, intellectual property

1. JAA TO owns certain proprietary rights and interests in and to the JAA and JAA TO trademark and logo. JAA TO may from time to time authorise or direct Client to use, in connection with the provision of Training Courses, such trademark and logo.

3. Such materials shall remain the sole property of JAA TO, shall not be disclosed to third parties and shall not be used for any purposes inconsistent with the scope and provisions of this Agreement. Client undertakes to inform the Participants and the interpreter accordingly. Client shall be liable towards JAA TO by any infringement of these provisions by Client, Participants or the interpreter.
4. Client shall not develop, create, generate, own or use in any manner any electronic medium (including but not limited to, any Internet home page, e-mail address, website, domain name) which in any way uses or displays any of the JAA TO's logo, trademarks, or any words, symbols, or terms confusingly similar thereto, without the express written consent of JAA TO. 6. For the purpose of this Clause, '**Confidential Information**' shall mean all information of a secret or confidential nature disclosed, whether in writing, verbally or by any other means and whether directly or indirectly, by one Party (the '**Disclosing Party**') to the other Party (the '**Receiving Party**') whether before or after the date of this Agreement including, without limitation, any Training Course Materials, records, documents or other written materials, together with any copies or extracts, any information relating to the operations, processes, plans or intentions, product information, usernames and passwords, know-how, design rights, trade secrets, market opportunities, and business affairs of the Disclosing Party and including, but without limitation, any information relating to the existence or terms of this Agreement, or to the negotiations relating thereto.
